The Department of Economics of Ca’ Foscari University of Venice, having regard to the resolution of the Director of Department, Rep. 820/2018, Prot. 54016-VII/16 del 02.10.2018, establishing the research programmes for awarding of the short fellowships in Eastern Venice inland landscapes along the old trade itinerary between Venice and Portogruaro lasting 9 months, with the possibility of renewal within the limits of art. 4 of the Regulations for awarding of university short research fellowships.

The expected starting date is on November, 2018.

The research fellowship is awarded for the purpose of collaboration with the following research programme of the Department of Economics.

Abstract:
The aim of this project entails two specific actions. The first one is to set up a complete census of the historical cartography ranging from Venetian age to the present day and concerning the area enclosed between the Livenza and Tagliamento rivers. Such database will be afterwards digitalized. As to the second activity, it aims to establish an innovative network of public and private multifaceted mobility to allow sustainable access to both natural and historic-cultural heritage in the considered area.

The research fellowship amounts to Euro 19.721,94# gross to the recipient.
