Description
The Department of Economics at Università Ca’ Foscari Venezia invites applications for a fellowship in:

**Title:**
- *Modelling the distributional implications of climate impacts and adaptation*
- **SSD:** SECS-P/06 - Applied economics

**scientific coordinator and tutor:** Prof. Enrica De Cian

- **duration:** 12 months

**abstract:**
The recruited postdoc will develop a modelling framework for the distributional analysis of climate change impacts in India and Indonesia. The framework will explore two modelling strategies: 1) multi-sectors and multi-country recursive-dynamic CGE model with a detailed specification of selected household groups; 2) downscaling method to propagate macroeconomic responses across the full distribution of households. The researcher will collaborate with the country experts in order to get access to the country household surveys needed. After setting up the model, the researcher will develop business as usual scenarios, as well as policy and impact scenarios.

The resolution of the Departmental Council of 2018-12-19 contains declaration of financial backing for the entire duration of the fellowship, which will be funded by the Project: ENERGIA ERC Starting Grant, GA 756194, scientific responsible and tutor Prof. Enrica De Cian.

The fellowship is intended to provide the successful candidate with the opportunity to pursue his/her own research while benefiting from the range of expertise at Università Ca’ Foscari Venezia.

**Who can apply**
Prospective candidates are required to hold a PhD in economics and to have research experience in CGE modelling.

Ca’ Foscari encourages applications from researchers with positive evaluation in all the criteria in individual proposals such as Marie Skłodowska Curie Actions - Individual Fellowships/ERC Starting
Grants/FIRB (Italian Fund for basic research investments)/SIR (Scientific Young Independence Research) or similar. Researchers having successfully completed Marie Skłodowska Curie Actions - Individual Fellowships/ERC Starting Grants/FIRB (Italian Fund for basic research investments)/SIR (Scientific Young Independence Research) or similar funded projects are warmly encouraged to apply. 

Duration of contract: 12 months (approximately starting on October 2018).

Stipend: The research fellowship amounts to Euro **23,750,00.=** per year, gross to the recipient, net of the expenses to be sustained by the Provider. The amount may be subject to adjustment in the event of variations in the law.
