Evaluation Procedure and Commission.

A Commission summoned by the Director of the Department, who indicates the President of the Commission and the member taking the minutes, will evaluate the applications.

Evaluation procedure. The Commission defines the general evaluation criteria. The interview and any other test must ascertain the suitability of the applicant to the research activity. The Commission compiles a ranking and specifies the winning applicant, having regard to the score appointed to experience and qualifications, interview and any other test, as specified by the call.

Awarding of the short research fellowship. Having received the selection documents, and at the outcome of the checks, the Director approves, by his own decree, the classification and the selection procedure reports and makes them public according to the procedures specified in the Regulation awarding the short research fellowship art. 6 and in the website https://www.unive.it/data/28900/. Exclusion is justified in detail in the selection reports, which can be accessed in accordance with law 241/90.

The Director of the department awards the research fellowship to the winner of the selection procedure, subject to ascertainment of the prescribed requirements. The latter shall accept the award within 15 days from receipt of the communication.

Grant. The fellowship is intended to provide the successful candidate with the opportunity to pursue his/her own research while benefiting from the range of expertise at Università Ca’ Foscarì Venezia. The tutor coordinates the activities of the Research Fellow and any other research activity within the same program and provides the Fellow with all the information for carrying out the research.

The Department provides the Research Fellow with the needed back-up support such as access to facilities, equipment and administrative services.

The Research Fellowship is not, in any case, considered as an employment contract and the Fellow is not part of the University staff.

Throughout the period of the fellowship, the advisor in agreement with the Associazione Carlo Giannini may invite the fellow to illustrate the state of her/his research in seminars/workshops. It is also strongly advised to submit papers for possible presentation in international leading conferences in the field. By the end of first year, the fellow must produce an annual report on the advances of her/his research, including the scientific evaluation by her/his advisor. At the end of the Fellowship, the fellow must produce a final report. The fellow is expected to acknowledge receipt of this funding in all papers prepared in connection with this research effort.
