Description
The Department of Linguistic and comparative cultural studies at Ca' Foscari Venezia invites applications for a fellowship in:

Title "Latin American Literature Teaching Through Comics"
Scientific area: L-LIN/02
Tutor Prof. Graziano Serragiotto – tutor Vicar Susanna Regazzoni

Abstract: The aim of the project is to study the teaching method of the Hispanic American literatures through the use of the comic. There is an interesting Latin American cultural tradition, in particular in Argentina, where it's possible to find a close relationship between literature and comic. In this cultural reality there are comic adaptations of some of the most important and representative authors' works, like for example Horacio Quiroga, Jorge Luis Borges and Gabriel García Márquez. Starting from the existing studies on the issue proposed, the researcher will analyse the possibility to use comic as a current and facilitator instrument of the Hispanic American literature teaching.
