The Director of the Department of Economics

HAVING REGARD TO the Regional Management Decree no. 231 of 10/03/2020 and subsequent amendments and additions, which approves the research project with code 2120-0006-1463-2019, Titolo--Progettare gli scarti della produzione tra sostenibilità e rivoluzione digitale," as part of the 2019 regional call for applications - Decree of the Regional Government no. 1463/2019 - "Innovazione e ricerca per un Veneto più competitivo" (Innovation and Research to make Veneto more Competitive) - POR ESF 2014-2020 - Ob. "Investments to encourage growth and employment"

Description

The Department of Economics at Università Ca’ Foscari Venezia, on the basis of resolution no. 600/2021, Prot. 69707-VII/16 del 25.06.2021 of the Director of the Department, on the awarding of short-term research fellowships, hereby calls for applications for the following research grants:

**Visiting Fellow - YOUNG TALENTS Title Waste Reuse in Global Value Chains**

- **scientific coordinator and tutor:** Prof. Mario Volpe
- **SSD:** SECS P/02

**abstract:**

The project investigates the possibilities of developing solutions and design methods that consider production waste as a potential material for strengthening the creative path in the industrial field and as a potential for the implementation of innovative systems and artifacts. Starting from the concept of reuse, understood as upcycling, is investigated the possibility of integrating production waste with new artistic, design or production projects. The activity is carried out with specific reference to some supply chains in the Veneto area: leather, footwear, glass and eyewear.

The activity required of the Young Talent concerns the development of innovative methods of communicating data on the circular economy and on waste recovery activities, starting from the work carried out in the supply chains analyzed in the research. The activity involves the coaching and coordination with research fellows (including IUAV) involved in the project and participation in the activities of dissemination of the project results and territorial animation of companies operating in the Veneto Region.

**Duration of the short-term research fellowship**

2 months, indicatively starting from August 2021

**Amount:**

The research fellowship amounts to Euro 8.000,00, exempt from IRPEF (personal income tax) and INPS
(social security contributions). The amount awarded is understood to include any costs relating to the undertaking of the research envisaged by the project.

The monthly amount shall only be approved and awarded for whole months completed, and amounts for months not completed shall not be awarded.

**Deadline:** **July-19-2021, h. 12.00, noon, local time.**

As stated in the ESF Directive, Decree of the Regional Government no. 1463/2019, upon completing their research, fellows must provide the department with the following research output:

*a final report on the activities undertaken, highlighting the results achieved.*

Visiting fellows will also be required to complete:
- a “weekly diary”, recording their research activities;
- a prior calendar of activities

**Who can apply? (University Regulation for short-term research fellowships, Art. 3)**

The call is intended exclusively for professors/researchers *from foreign universities.*

Applications are open to EU citizens and non-EU citizens who hold:
- a Bachelor’s degree, Master’s degree or equivalent foreign qualification, with analytical and research expertise on one or more of the following topics:
  - circular economy
  - waste disposal and reuse processes
  - design of transformation processes and design of products based on production waste
  - sustainability communication strategies.

The requirements must be held by the deadline for this call for applications.

Candidates are admitted to the selection conditionally; they may be excluded from the call at any time should they fail to meet the predefined requirements, even after the selection process is complete, with just cause and notification sent to the person concerned.

Evaluation Procedure and Commission.
A Commission summoned by the Director of the Department, who indicates the President of the Commission and the member taking the minutes, will evaluate the applications.
Evaluation procedure. The Commission defines the general evaluation criteria. Titles submitted by candidate must ascertain the suitability of the applicant to the research activity. The Commission compiles a ranking and specifies the winning applicant, having regard to the score appointed to experience and qualifications, as specified by the call.
Awarding of the short research fellowship Having received the selection documents, and at the outcome of the checks, the Director approves, by his own decree, the classification and the selection procedure reports and makes them public according to the procedures specified in the Regulation awarding the short
research fellowship art. 6 and in the website https://www.unive.it/data/28900/. Exclusion is justified in detail in the selection reports which can be accessed in accordance with law 241/90. The Director of the department at which the research programme will be conducted awards the research fellowship to the winner of the selection procedure, subject to ascertainment of the prescribed requirements. The latter shall accept the award within 7 days from receipt of the communication by signing the relative contract at the competent office of the Department of Economics, which will establish the terms of and procedures for the collaboration and allocation of the grant.

Grant. The fellowship is intended to provide the successful candidate with the opportunity to pursue his/her own research while benefiting from the range of expertise at Università Ca' Foscari Venezia. The tutor coordinates the activities of the Research Fellow and any other research activity within the same program and provides the Fellow with all the information for carrying out the research. The Department provides the Research Fellow with the needed back-up support such as access to facilities, equipment and administrative services. The Research Fellowship is not, in any case, considered as an employment contract and the Fellow is not part of the University staff. The rights for any patentable invention coming from Research Activities belong to the University or entities with which the University has signed (or will sign) specific agreements.
