The Visiting Fellow must perform the following research:

Title **“The Reason of Others ACT II - VISITING FELLOWSHIP”**, continuously lasting **2 (two) months**

A two-month research fellowship is available at the Venice School of Management of Ca' Foscari University for a scholar from a foreign university with research interests and professional expertise in performing arts management and a minimum of five years of postdoctoral academic experience. The fellowship is part of “Proagon,” a larger project that supports the initial phase of an incubator for the performing arts in Venice. As a visiting fellow, the scholar will be affiliated with the *aiku* research centre (www.aikucafoscarì.it) and will be actively involved in collaborative activities, providing methodological support for young researchers focusing on the establishment of the incubator for the performing arts, building upon Venice's historical significance as the birthplace of modern theatre by enterprising impresarios, pioneering the concept of professional performing art entrepreneurship and management. The Proagon project aims to revive this tradition to help Venice rediscover its innovative past by attracting new entrepreneurs and devising new business models in the field of performing arts. The visiting fellow is expected to provide a transnational perspective and comparative insights into entrepreneurial processes in the performing arts. Additionally, the visiting fellow will play a key role in developing the project by mentoring a junior researcher working on similar research areas related to entrepreneurship in the performing arts.

The activity of Visiting Fellow is carried out at the headquarters of the Management Department, in close synergy with the institutions, companies, third parties under study, ensuring the permanence of the Visiting Fellow within these contexts for the duration of time appropriate to the achievement of the research objectives and action. Any transfers are allowed if provided for by the project and approved by the scientific coordinator; they will be authorized in compliance with the University's internal rules.

The Visiting Fellow will carry out activities in any case in conditions of autonomy and without working hours, only within the limits of the research program, of the indications contained in the FSE Directive, DGR n. 727/2023 and subsequent amendments and additions, for the purposes of recognition of the expenditure.

The activity of Visiting Fellow does not in any case prefigure an activity of dependent work and does not give rise to rights of access to the roles of the University.

As stated in the ESF Directive, Decree of the Regional Government no. 727/2023, upon completing their research, fellows must provide the department with the following research output:

- a **final report on the activities carried out**, highlighting the results achieved and accompanied by a **brief research abstract**.

Information and contacts: For more information contact: Department of Management - Research Area - tel. 041 234 8758-6851 – e-mail: ricerca.management@unive.it

Visiting fellows will also be required:

- ✓ to plan their research activities on a **specific monthly Calendar**;
- ✓ to register them daily on a **specific Diary**;

both supplied by the Department.

For anything not specified in this Call, please refer to the Regulations, applicable legislation and the Regional Directive on the ESF funding in question and subsequent additions.

Duration of the VISITING FELLOWSHIP Grant: 2 (two) months, to be carried out **between January 2025 and in any case, by 14/06/2025**, date of conclusion of the project;

The starting date of the VISITING FELLOWSHIP will be determined in the "Declaration of acceptance" that the Visiting Fellow will have to subscribe to, in line with the project requirements in which the activities of the Visiting Fellowship are located.

Amount of the Research Grant

The **total research grant is € 4.340,00**, exempt from IRPEF (personal income tax) and IRAP (regional tax on productive activities). The amount awarded is understood to include any costs relating to the undertaking of the research envisaged by the project.

Monthly compensation will be recognized only if the entire month's work is carried out, otherwise the compensation related to the month will not be disbursed.

Mobility costs

In addition to the research grant, a **fee is granted to reimburse mobility costs (transport, accommodation, food)**. This fee, subject to taxation, must consider the following parameters:

- **provenance charts for the calculation of Standard Cost Units (CSU), as provided for in DGR No. 727/2023;**
- **the maximum amount used for mobility costs in the project approved and financed by Veneto Region.**

In order to recognize the mobility costs, you will need to present **proof of expenditure in support in the original, when not available digitally** (travel tickets, boarding passes, hotel receipts, etc.).

In the "Declaration of Acceptance" to which the Visiting Fellow will have to subscribe, the maximum fee, subject to taxation, for the recognition of mobility costs will also be determined in accordance with what described above.
