Description

The Department of Economics of Università Ca' Foscari Venezia having regard to the Departmental Council of 2024.12.18, establishing the research programmes for awarding of the short fellowships in:

Contest title: SCHOLARSHIPS COMUNE PORTOGRUARO

Description

PROFILE 1 - Analysis of the territorial context and impact on organizational structures and planning of the social function in Eastern Veneto

- **scientific coordinator and tutor:** Prof. Stefano Campostrini
- **duration:** 10 months, starting from February 2025
- **SSD:** GIUR-06/A; **GSD:** 12/GIUR-06;

abstract:

The research grant aims to carry out an analysis of the territorial context of the municipalities belonging to the Ambito Territoriale Sociale VEN_10 of Portogruaro, with particular reference to the possible implications in terms of the definition of organisational structures and on the planning of the social function in Eastern Veneto. As part of this activity, a preliminary analysis of the territorial context is envisaged (including, by way of example: demographic aspects, characteristics of the territory, socio-economic characteristics, institutional arrangements, resources of the Third Sector, etc.) and a subsequent analysis of the existing social services system provided by the various entities (Municipalities, Azienda ULSS, Special Agencies, associated management, etc.) as well as a reconstruction of the professional figures operating within the system. Also on the basis of these elements, a desk analysis of possible alternative forms for the associated management of social and welfare services by the municipalities will be drawn up. The activities to be carried out may concern desk analyses, ad hoc data collection, interviews and/or focus groups, preparation of reports.

Stipend: The research fellowship amounts to **25.000,00** Euros.

Minimum Application Requirements

- knowledge of legislation on social and social-health policies
- knowledge of the methods of associated management of social and socio-health services
- Italian C2 or mother tongue
- excellent knowledge of English;

Assessable qualifications

- PhD;
- completion of a doctorate course pending the award of the degree.

PROFILE 2 - The associated management of the social welfare function in municipalities

- **scientific coordinator and tutor:** Prof. Stefano Campostrini
- **duration:** 10 months, starting from February 2025
- **SSD:** STAT-03/B ; **GSD:** 13/STAT-03;

abstract:

The research grant aims to explore the possible forms of establishment and start-up of the associated exercise of the social-welfare function by the municipalities belonging to the Ambito Territoriale Sociale VEN_10 of Portogruaro. Through desk analyses, in-depth case studies and interviews and/or focus groups with local stakeholders, a critical analysis of the possible alternative forms for the associated management of social-welfare services by the municipalities will be developed. On the basis of the evidence gathered, a hypothesis will be developed on the cost factors of the new mode of management of social-welfare services by the municipalities of the territory, with the relevant general quantification as well as the modalities of their allocation

Stipend: The research fellowship amounts to **18.000,00** Euros.

Selection and evaluation procedure

The selection is made by assessment of the scientific-professional qualifications of the candidates, by a Selection Committee appointed by order of the Director of the research department taking into account, whereas possible, gender balance.

A Commission summoned by the Director of the Department, who indicates the President of the Commission and the member taking the minutes, will evaluate the applications.

Evaluation procedure. The Commission defines the general evaluation criteria. The qualifications and any other test must ascertain the suitability of the applicant to the research activity. The Commission compiles a ranking and specifies the winning applicant, having regard to the score appointed to experience and qualifications and any other test, as specified by the call.

Awarding of the short research fellowship

Having received the selection documents, and at the outcome of the checks, the Director approves, by his own decree, the classification and the selection procedure reports and makes them public.

Notification, including the start date of the short-term research fellowship, shall be sent to the winning candidate.

The winner must accept the short-term research fellowship within seven days of receipt of the written notification referred to above, under penalty of revocation. In the event of withdrawal, the short-term research fellowship shall be awarded to the next available candidate, following the order of the final ranking of merit.

The Director Decree approving the selection acts and designating the winner and the Report defining the evaluation criteria or any postponement will be notified through the publication, on the University's webpage from **2025-01-30** (<https://www.unive.it/data/12136/>)

Access to the selection documents is guaranteed pursuant to the law of August 7th 1990, no. 241 and subsequent amendments and additions and relative internal implementation regulation.

Incompatibility

The short-term research fellowship may not overlap with:

- other scholarships granted in any capacity, apart from those granted by national or foreign research institutes in order to integrate with periods abroad the specific activity foreseen by the work plan of the appointed fellow;
- attendance of PhD courses with scholarship and medical specialization, in Italy and abroad;
- research grants "assegni di ricerca"

Fellowship holders may carry out self-employed work or occasional or permanent collaborations, as long as this is coherent with the ongoing research, upon approval and on the condition that:

- does not involve a conflict of interest with the specific research activity carried out;
- does not prejudice the university, in relation to the activities carried out.

Subordinate employment contracts holders, in addition to obtaining permission by the university, must provide the authorization of their employer.

In the specific case that the subordinate employment contract started prior to the awarding of the fellowship, compatibility with the existing employment will have to be assessed; if the assessment yields a negative result, the short research fellowship will not be awarded; in the case of a positive result, the successful candidate will have to provide the authorization of his/her employer within 15 days.

In the event that the subordinate employment contract will start once the fellowship is ongoing, the successful applicant is required to notify this change at least 15 days before the start of the employment contract for an assessment of compatibility; if the assessment is negative, the fellowship will cease by the start of the employment contract; in the event of a positive outcome, the successful applicant must provide the authorization of his/her employer within 15 days.

The awarding of the short-term research fellowship does not imply the establishment of any employment contract, nor does it give rise to any rights of access to positions of employment at the university
