Description
The Department of Philosophy and Cultural Heritage at Università Ca’ Foscari Venezia invites applications for a fellowship financed by the Project “QWoRe - Quality of Work in Residential long-term care services in Italy: determinants and strategies”, Programme PRIN 2022 PNRR, CUP H53D23009710001, tutor prof. Barbara Da Roit.

Title: Quality of work in residential long-term care: analytical framework and empirical advances

Scientific Area/field: SPS/07 (General sociology)

Tutor: prof. Barbara Da Roit

Duration: 12 months

Abstract: The researcher will contribute to a project aiming to develop an innovative, multidisciplinary and integrated analytical framework to understand quality of work in residential LTC services and to provide an accurate and in-depth account of the quality of care work in residential LTC services in Italy. The overall project will contribute to structuring a field of studies for understanding quality of care work and for identifying contextualised strategies for the sustainability of the sector.

The research activities will be directed to: theoretically deepen the determinants of quality of work in care at the macro-, meso- and micro-level, as well as their complex interactions and interdependencies and provide an analytical framework for the empirical analysis of the Italian case; collect and analyse qualitative data (interviews with stakeholders and care workers); collect and analyse data in the framework of case studies.

The research may be carried out in English.

The fellowship is intended to provide the successful candidate with the opportunity to pursue his/her own research while benefiting from the range of expertise at Università Ca’ Foscari Venezia.
